

“Excellence In Calibration”

CORPORATE PROFILE

ISOLAB (Singapore) Pte Ltd was incorporated on 16 August 1993. In May 2001, ISOLAB (Singapore) Pte Ltd was fully acquired and became a subsidiary of ACEZ Instruments Pte Ltd, and became an integral part of ACEZ's mission to provide High Quality Industrial Measurements and Controls through:

Assuring quality, reliability and service for our clients

Creating an empowered team and learning workforce

Enhancing the quality of life for our community

Zooming trust in partnerships with customers, suppliers, principals.

Since joining the ACEZ Group, **ISOLAB** has focused on expanding our Calibration Capabilities through recruiting calibration professionals, enhanced facilities,

and improved service processes in order to upgrade our services to customers and to help them achieve excellence in their business operations.

(****examples of some improvements****)

It aspires to become the preferred partner for Instrument Calibration by constantly delighting partners and customers with her high quality on-site and off-site service, fast-turnaround time and efficient and well trained personnel that are Accurate, Accountable and Always there to serve.

ISOLAB (Singapore) Pte Ltd is conveniently located at **28D Penjuru Close** with ample parking space. Our ISO-MOBILES stand ready for your onsite services.

Call our Hotline **6266 6155**.

List of Calibration and Measurement Services

Temperature	Platinum Resistance Thermometer	Thermocouple	Digital Thermometer
	Liquid in Glass Thermometer	Temperature Enclosure (Onsite)	Radiation Thermometer
	Capillary Thermometer	Temperature Bath	Surface Sensor
	Temperature Controller	Temperature Data Logger	
Humidity	Thermo-hygrometer	Thermo-Hygrograph	Dew Point Meter
	Psychrometer	Temperature & Humidity Chamber	Temp. & Humidity Data Logger
Pressure	Digital Pressure Indicator	Pressure Transducer	Pressure Transmitter
	Pressure Calibrator	Pressure Recorder	Manometer
	Vacuum Gauge	Differential Pressure Gauge	Compound Gauge
	Diaphragm Gauge		
Airflow	Air Velocity Meter	Anemometer	Thermo-Anemometer
	Air Flow Transmitter	Hot-Wire Anemometer	Balometer
Electrical	Digital Multimeter	AC / DC Voltmeter	Resistance Meter
	AC /DC Current Meter	Frequency Meter	

We Provide In-house and On-site calibration. Please kindly contact us for more information.

Our Services*

Normal Service : 3 to 5 working days

Express Service : 24 hours

Collection and delivery
